

NOTICE TO MARINERS

June 2, 2022
Jyaistha 12, 1943

Special permission is granted to barges who had sought permission to cross through Cumbarjua Canal under Banastarim Bridge at their own risks and perils till the completion of the works, subject to compliance of the terms and conditions laid down and holding valid Insurance Policy and manning as per rules framed.

The conditions being Loaded barges should enter the Cumbarjua Canal from Zuari river side for proceeding to Mandovi River at least one hour before times of High Water and Empty barges should enter the Cumbarjua Canal from Mandovi river side to Zuari river at the appropriate tides and depths available. However, loaded barges should move from Madkai from the Zuari side ensuring proper timings of tides are taken into account to make the transit.

Those who have been granted permission have to ensure the forward mast dropped / collapsed to avoid contact with the high tension line overhead, as informed by the Department of Information and Publicity.
