Panaji: [August 14, 2022](#)

The Chief Minister Dr. Pramod Sawant has extended his greetings and good wishes to all the citizens of our country on Independence Day.

Dr. Sawant in his message said that, “Independence Day is that joyous occasion that invokes a sense of pride and honour among the countrymen. The independence that we got in 1947 was the result of more than a century of relentless sacrifices offered by countless patriots for national freedom. Our freedom fighters with their hard work and sacrifice endured numerous sufferings, to safeguard the socio-cultural ethos of our motherland. This is a day to express our gratitude towards them”.

“Now it is our turn to pay tributes to these supreme sacrifices, by making India a global superpower in every field. From academics to aeronautics, from trade & commerce to defence and from information technology to wellness; the world must look up to India as a power to reckon with. By contributing to endeavours such as ATMANIRBHAR BHARAT and SWAYAMPURNA GOA we can achieve this feat.”

Chief Minister further said, “The government of Goa has always been in the forefront in successfully implementing several welfare-oriented schemes for the benefit of all, particularly the weaker sections. The State has consistently maintained an atmosphere of unity and brotherhood among the people from different sections of society”.

“[Today](#), as we march on together as a nation, I offer my sincere gratitude, profound respect and humble homage to the founding fathers of our Nation and to all those who sweat hard for a free and democratic India. Let us emulate their bravery and courage. Let us bow & pay tributes to the martyrs, freedom fighters & pledge to protect the peace, unity and social fabric of our great nation. On this proud historic occasion, I appeal to everyone to give their best for the betterment of the State and our Country, so that we can live in peace, prosperity and success”, Chief Minister concluded.

Happy Independence Day!!
