"We will be organising similar camps and while we have had three camps in Bogmalo and Charolim, we are glad to have more camps in Galgud and Zambaga," said Godinho.

Smt. Anita Thorat said such camps are vital, especially for women citizens. "Many a times, women citizens have to travel far and wide to get their eyes checked. This free eye-check

"We also carry out many other camps like medical check-up and also offer many non-medical courses for the empowerment of the women and make them financially independent," said Sushilika.
