Sir / Madam

Pariksha Pe Charcha is a unique interactive programme of Hon'ble Prime Minister Shri. Narendra Modi with students, teachers and parents. The 6th edition of Pariksha Pe Charcha will be held in a town-hall format at Talkatora Stadium in January 2023.

In order to participants who will be featured in Pariksha Pe Charcha programme, an online creative writing competition is being conducted at <https://innovateindia.mygov.in/ppc-2023/> on various topics from 25th November 2022 to 30th December 2022 for the children studying in classes of 9 to 12, teachers and parents. The topics of the competitions are annexed herewith. All the participants will receive certificate signed by Director NCERT.

You are hereby requested to ensure maximum registration from your school in the creative writing competition through the link <https://innovateindia.mygov.in/ppc-2023/> from 25th November 2022 to 30th December 2022.

Also, creatives like poster / banners on the said event will be shared to you in due course of time. You are instructed to display them on Notice Board, on your school website and also share with parents. You are also requested to promote this significant initiative by Hon'ble Prime Minister towards reducing exam stress through your school official website / social media handles and **#PPC2023** to disseminate this event.

The students selected to participate in the main event of Pariksha Pe Charcha shall be rewarded with a special kit. 20 best participants will be selected from Goa State to participate at the National event.

Yours faithfully,

(Nagaraj G. Honnekeri)

Themes

For Students

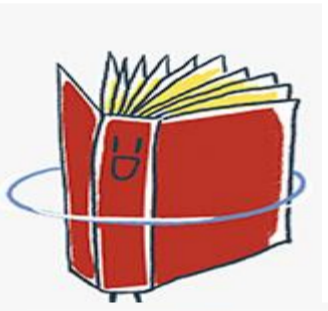

1. Know your freedom fighters (हमारी आज़ादी के नायक)

What life stories have you heard about freedom fighters of your state or region? What inspirations do you draw from their lives? How do you want to serve your nation?

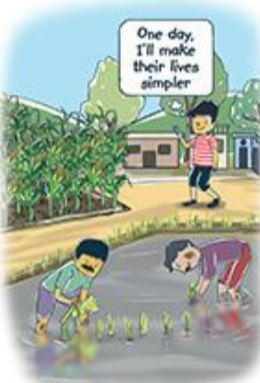

2. Our culture is our pride (हमारी संस्कृति हमारा गर्व)

What is special about your state's culture? What elements of that culture make you feel proud of your country?

3. My Book My Inspiration (मेरी प्रिय किताब)

Which book has had the most influence on you, and why?

4. Save Environment for future generations (आने वाली पीढ़ियों के लिये पर्यावरण सुरक्षा)

What are your thoughts on sustainable development? What challenges do you see for our future generations as a result of climate change? What steps must we take to safeguard our environment? As a student, how can you contribute to long-term development?

5. My life, my health (अच्छा स्वास्थ्य क्यों जरूरी है)

Why is staying healthy so important? What do you do to keep your health in check?

6. My startup dream (मेरा स्टार्टअप का सपना)

Entrepreneurship among students is essential for self-sufficiency and success in life while also contributing to the nation's economy and work culture. What are your hopes for your own startup?

7. STEM education/ education without boundaries (सीमाओं के बिना शिक्षा)

NEP 2020 encourages students to be flexible in their subject selection. Students are free to study subjects of their choosing, to chart their own course, and to pursue a career of their choosing. There is life outside of Science and Mathematics. What are your thoughts on this? What are your concerns about this transformative recommendation? What are your recommendations?

8. Toys and Games for Learning in Schools (विद्यालय में सीखने के लिए खिलौने और खेल)

Toys and games can also be a source of learning. What are your thoughts on students learning through toys and games

For Teachers

1. Our Heritage (हमारी धरोहर)

What is the importance of teaching 'Indian' traditional knowledge for holistic development of students? How do you intend to integrate it into your school curriculum?

2. Enabling Learning Environment (शिक्षा का अनुकूल माहौल)

What is your role as a teacher in creating a healthy and conducive learning environment for your students' emotional and mental well-being? How will you structure activities to ensure that all students participate and learn? What are your thoughts and feelings about peer learning?

3. Education for Skilling (कौशल के लिए शिक्षा)

Skill education is very important. Though the entire education system in our country needs to be transformed in order to provide skill education, the promotion of Vocational Education among secondary students is critical. The reason for this is that many students do not want to pursue academics/higher education, but rather want to explore different avenues to advance in life. What are your thoughts on the matter?

4. Lesser Curricular Load and No fear for exams (पाठ्यक्रम का कम भार और परीक्षा का कोई भय नहीं)

Students can learn through experiential learning and project-based curriculum; having confidence in what and how they learn reduces the pressure of examinations. What initiatives will you take as a teacher to implement the NEP 2020 perspective?

5. Future educational challenges (भविष्य में शिक्षा की चुनौतियाँ)

What, in your opinion, are the current educational challenges? How should schools, teachers, and parents help children cope with changing educational expectations?

For Teachers

1. My child, my teacher (मेरा बच्चा, मेरा अध्यापक)

What is something unique or interesting your child has taught you? How did you learn it and adjust to it? Why is it important to adapt to our children's interests?

2. Adult Education- Making everyone literate (प्रौढ़ शिक्षा - सभी को साक्षर बनायें)

What according to you is the importance of Adult Education? How can it result in a more empowered nation? How can children help adults understand contemporary issues?

3. Learning and growing together (सीखना और एक साथ बढ़ना)

How will you complement your child's learning at home with what he or she is learning at school? Write a creative note about your role as a parent in your child's healthy learning process.
