

CM INAUGURATES PROJECT AT GOA UNIVERSITY

April 03 2023

Chaitra 13, 1945

Chief Minister Dr. Pramod Sawant laid the foundation stone for the School of Physics and Applied Science at Goa University, Donapaula. This project is supported by the Goa Government, and approximately 9 crores will be spent on it. The School of Physics and Applied Science will offer advanced research opportunities and education in various fields of physics and applied sciences.

The Chief Minister also inaugurated a Classroom Annexe for Goa Business School. This Annexe consists of four classrooms and is part of the Rashtriya Uchatar Shiksha Abhiyan initiative. The government has utilized approximately 3 crores for this project. Chief Minister expressed his satisfaction with the progress of Goa University and said that the government is committed to provide good human resources through the university. The government is investing in infrastructure and providing world-class education to students to create highly skilled individuals who can contribute to the growth and development of the state.

Shri Harilal Menon, Vice Chancellor of Goa University and Shri Vishnu Nadkarni, Registrar of Goa University were also present at the function.
