

ITG Unveils a New Emblem Symbolizing Progress & Technology

Panaji: July 24, 2023

Info Tech Corporation of Goa Ltd. proudly revealed its new logo, embodying the essence of progress and technology.

Established in 1990 as a leading IT Public Sector Unit in India, the Corporation has grown to become the backbone of State Government departments. With a vision of infusing technology in governance and fostering collaboration and innovation, the new logo marks a fresh identity, representing the harmonious partnership of human ingenuity, skills, and cutting-edge technology. The emblem features a dynamic 'I' that represents information, innovation, integration, intelligence, Internet of Things, and individuality. The yellow three-dimensional figure transforms from a wave to a global burning light, signifying the elements and spirit of Goa. The vibrant colors symbolize a bright future with streaks of the Indian flag. The logo's motion-inspired form represents continuous progress and adaptability, while shades of blues and purples denote the Corporation's technological focus.
