

Empowering Agricultural Sustainability: Inauguration and Distribution of Entry Point Activities under Pradhan Mantri Krishi Sinchayee Yojana - Watershed Development Component

Panaji: [August 25, 2023](#)

The Zonal Agriculture Office Sanguem in collaboration with the Project Implementing Agency (PIA) Directorate of Agriculture, Government of Goa, is proud to announce the forthcoming event - the Inauguration and Distribution of various Entry Point Activities within the Sanguem Watershed Area. This initiative is aligned with the Pradhan Mantri Krishi Sinchayee Yojana - Watershed Development Component 2.0, supported by the Ministry of Rural Development, Government of India.

The event which took place [today](#) symbolizes a significant step towards enhancing agricultural sustainability and fostering rural development. The ceremony will witness the inauguration of essential initiatives that aim to strengthen agricultural practices, water resource management, and overall rural livelihood enhancement.

The Pradhan Mantri Krishi Sinchayee Yojana - Watershed Development Component 2.0, a flagship program of the Government of India, underscores its commitment to promote water-use efficiency and sustainable agricultural practices. By organizing this event, the Zonal Agriculture Office Sanguem and the Directorate of Agriculture, Government of Goa, aim to align with the larger goal of boosting agricultural productivity and improving the quality of life for rural communities.

The event will not only mark the inauguration of these crucial activities but also encompass the distribution of resources and tools that will empower local farmers. It reflects a collaborative effort between governmental bodies and local communities to create a positive and lasting impact on the agricultural landscape.

This event serves as a testament to the commitment and dedication of all parties involved to work together towards a sustainable and prosperous agricultural future.
