

FISHERIES TO CONDUCT TRAINING IN SUSTAINABLE FISHING
PRACTICES

Panaji: August 13, 2024
Sravana 22, 1946

The Directorate of Fisheries has informed that they are organizing training programs at the Fishermen Training Centre, designed to empower and elevate the skills of our local fishing community. The comprehensive training program offers hands-on experience, expert guidance and the latest techniques in sustainable fishing practices.

Various training program includes: Biofloc Technology, Recirculatory Aquaculture System (RAS), Ornamental Fish Culture, Crab Culture, Mussel Culture, Shrimp Farming, Freshwater Fish Culture, Fish Value Addition, River Cage Culture, Open Sea Cage Culture, Hygienic Handling of Fish and Safety of Fishermen, Seaweed Cultivation etc.

Applications are invited from interested Fishermen, Fish Farmers and entrepreneurs through online Google form <https://forms.gle/ryWfCYmp6xpYXIS29> the link is also available on the Directorate of Fisheries website as well as on social media accounts.

For more details and updates visit Fishermen Training Centre Ela, Old Goa or Contact: Website: fisheries.goa.gov.in or Email: dir-fish.goa@nic.in or Ph. No. 2224838.
