Governor of Goa Shri. P. S. Sreedharan Pillai has conveyed his warm greetings and good wishes to the people of Goa, particularly to all the Freedom Fighter brothers and sisters on the historic occasion of Goa Revolution Day on [June 18](#).

In his message, the Governor said, “The Goa Revolution Day or “Kranti Din” is an appropriate occasion to remember the supreme sacrifices of known and unknown freedom fighters who shed their blood for the freedom of Goa from colonial rule. 18 June is a significant day in the Goan history. On this day in 1946, the seeds of revolution were sown as Dr. Ram Manohar Lohia, a great stalwart of freedom struggle, along with local leaders and the brave citizens of Goa, ignited a movement that eventually ended with the liberation of Goa, 15 years later on [December 19](#), 1961. Their courage and determination remind us of the indomitable spirit that lies within each one of us”.

The Governor added, “On this memorable occasion, let us all bow our heads to the memory of all the martyrs, freedom fighters. It is because of the sacrifices of these great souls that Goa [today](#) stands tall as a prosperous State”.
