

GOVT HAS INITIATED VARIOUS SCHEMES TO STRENGTHEN EDUCATION: CM

Panaji: [March 8, 2024](#)

The Government has provided all kind education right from ITI to IIT in the State and has initiated various steps to strengthen education sector. No one should lack behind in education for want of money and therefore various schemes have been implemented to extend help to the students who aspire to pursue their studies in the country or abroad stated Chief Minister Dr. Pramod Sawant who was speaking at the Laptop Distribution function organized by the Department Information & Technology at Maquinez Palace Campal [today](#).

The Government distributed laptops to meritorious students from SC & ST categories under Tribal & SC sub plans. Around 134 students from both these categories have availed the benefit of the scheme.

The Chief Minister speaking further impressed upon the students to be ambitious to acquire higher education where in the Government is prepared to extend all required support. He said someone among these beneficiaries would come across to him and inform that he has benefitted/excelled in education due to this scheme. He also said the laptops are provided [today](#) with the sole intention of digital literacy and to be advanced in education, with effective use of the gadget. He congratulated beneficiaries and wished them good future ahead.

Minister for Information & Technology, Shri Rohan Khaunte while speaking on the occasion said that the Government has created adequate support system to enhance education in the state. The various schemes are implemented in the interest of the students to pursue their study within the country or in the foreign country. The Government is of the view that no one either from urban or from rural areas suffer due lack of money. No one should give up their education for any reason. The only thing required among the student is the desire to secure higher education, he observed.

Shri Khaunte further said the country is dreaming to be Viksit in future providing students the opportunity to become ambassadors of this dream. The Government is also looking to provide internet connectivity throughout the State and intends to extend Har Ghar Fibre in the days to come he informed.

Director of Department of Social Welfare Shri Ajit Panchwadkar Managing Director ITG Shri Pravin Volvotkar and others attended the function. The Director, Department of Information & Technology, Ms. Yashaswini B. IAS welcomed the gathering.
