Read: Mukhyamantri Sudharit Kamdhenu Scheme notified vide Notification No. 13-91/MS Kamd/2023-24/1640 dated 07-07-2023, published in Official Gazette, Series I No. 15 dated 13-07-2023.

Mukhyamantri Sudharit Kamdhenu Scheme

Introduction.— Mukhyamantri Sudharit Kamdhenu Scheme shall come into force with modification from the date of Notification on Government of Goa Official Gazette.

This Mukhyamantri Sudharit Kamdhenu Scheme is strictly based upon the applicant fulfilling the following conditions:-

a. The applicant has to be bonafide resident of Goa for at least 15 years.

b. Shall possess a Pucca cattle shed with cement flooring for housing the animals proposed to be reared.

c. Undertake to strictly stall feed the animals and not allow open grazing except in open paddock surrounding the cattle shed.

d. New applicant compulsorily has to undergo dairy training as decided by the Department of AH & VS at the designated training centre. Fresh applicants who are old traditional dairy farmers and are currently engaged in dairy activities themselves having crossbred animals/ improved Buffaloes/Indigenous cattle, but had not availed the Kamdhenu Scheme could be exempted from undergoing the dairy training and will be considered only on recommendation from the Area Officer.

The main reason for the success of the dairy programme in India is the involvement of milk producers in setting up their own organizations for milk production enhancement, milk procurement, processing and marketing. Dairying, as a subsidiary source of income, is a real relief to most of these weaker groups in society.

Animal Husbandry plays a vital role in providing household nutritional security, increased income, and employment especially of women and in rural transformation. Livestock provide economic security and social status to the family. Concentration of Livestock in general and small ruminants in particular, is in marginal, small and semi-medium holding, which mostly represent poorer sections of the society. Thus progress in livestock sector is directly related to a more balanced development of rural economy and upliftment of the poor sections of the society.

Dairying with high yielding crossbred cattle, Improved She Buffaloes and Indigenous breeds namely Sahiwal, Gir, Red Sindhi, Rathi and Tharparkar has become a remunerative business. Studies have shown that dairy enterprise as against crop in rural areas was on the top with regard to profit in marginal, small and medium holding. Dairying and crop production together for small farmers having irrigated land was more profitable than crop farming alone. Animal Husbandry components provide easy cash; therefore, small farmers prefer it to crop production.

To begin with and in order to accelerate at fast pace the daily milk production in the State the scheme is intended to be implemented with full zeal throughout the State.

Objectives of the Scheme.— The main objectives of the scheme are:

- ❖ To help the farmers to get financial assistance for the purchase of Cross bred Cows, Improved She Buffaloes and Cows

of Indigenous breeds namely Sahiwal, Gir, Red Sindhi, Rathi and Tharparkar for his Dairy Unit.

c. The animals should be healthy, young, regularly vaccinated not exceeding 5 years of age and of 1st, 2nd and maximum 3rd lactation. In case of heifers, they should be confirmed pregnant.

d. The farmers whose calves are covered under the Pashupalan scheme are also eligible for sale after attaining the age of 27 months. In such instances, the subsidy received by the beneficiary under Pashupalan scheme has to repay the complete subsidy to the Government before selling the Heifers/Cow. The Department will further terminate the agreement bond of the scheme with the farmer of the registered calf if to be sold.

e. The price of the animal in question will be ascertained by a committee of officials from Dept. of AHVS and valuation certificate will be issued for the same. The Department has the right to accept or reject any or all such animals for the sale under Mukhyamantri Kamdhenu Sudharit Scheme without assigning any reason and it will be binding on the owner of the animal.

f. After purchase of milch animals of the 1st phase and if the mortality is more than 40% than further benefit of the Scheme will not be allowed including the purchase of milch animals of the 2nd phase even if sanctioned.

29) The forms for registration of the animal to be sold under the Mukhyamantri Sudharit Kamdhenu Scheme will be available in all the Veterinary Hospitals/Dispensaries.

30) The processing fees for the Mukyamantri Sudharit Kamdhenu Scheme will be Rs. 200/- for General Category/OBC and Rs. 25/- for SC/ST/Dhangar Category.

31) In case the milch animals which are purchased under the Kamdhenu scheme are found to be present at the public place/roads than the entire subsidy will be recovered from the farmer.

32) In the event of animal yielding less than 50% of expected milk yield as stated at the time of purchase within 45 days from the date of calving, beneficiary has to report in writing to Area Officer and copy marked to the Director of Animal Husbandry & Veterinary Services immediately. Pursuant of confirmation and verification of milk yield less than 50% of expected milk yield at the time of purchase by the said officer within 72 hours of intimation by farmer and on being satisfied by the Officer concerned that the milk yield is less than 50% of expected milk and is not due to negligence in feeding and management on the part of beneficiary, than the cost of the animals shall be directly credited to the loan account of the beneficiary (maximum Rs. 70,000/-). Such animal shall be the property of the Government and the beneficiary has to return the animal to the Government designated Farm at his own cost. Value of such animals shall be determined by the valuation committee appointed by the Department and the said animal is proposed to be returned to the seller for the price to be determined by the Departmental committee and the proceeds shall be deposited to Government Treasury by the Department. This is only

applicable for the purchase of animals at Cattle sale organized at Cattle Breeding Farm, Copardem/Dhat of this Directorate and not applicable for the animals purchased by the farmers from other States.

Interpretation.— If any question arises regarding interpretation of any clause, word, expression of the scheme, the decision shall lie with Government, which shall be final and binding on all concerned.
