

GOVERNOR EXTEND TEACHERS DAY GREETINGS

Panaji: [September 4](#), 2024

The Governor of Goa, Shri P.S. Sreedharan Pillai has extended his heartiest greetings and warm wishes on the occasion of the Teachers Day to the teaching fraternity.

In his message, the Governor said, [September 5th](#) is celebrated as Teachers' Day as a mark of tribute to the contribution made by all the teachers of our society, through sheer hard work and dedication. 5th September is also the birth anniversary of a great teacher, eminent philosopher, educationist par excellence and profound humanist, Dr. Sarvepalli Radhakrishnan. He was also a towering statesman, having served as the Second President and First Vice President of our country.

Governor in his message further said the foundation for a strong country is built on the young and talented minds. A teacher is a role model for most of us and has been influential in changing each and every student's life. Teachers should be a repository of knowledge and experience, and sharing rich values by teachers will help students succeed in their life. I strongly believe that the Teacher-Student relationship will nurture good character, discipline and commitment to set high standards.

On this important occasion of "Teachers Day", my sincere appeal to the entire teaching fraternity to draw inspiration from the life and work of the late Dr. Sarvepalli Radhakrishnana and play a constructive role to build India into a developed nation, he added

I once again extend my heartiest greetings and best wishes to the teachers for their dedicated service to build a knowledge and harmonious society; Governor concluded.
