After the attainment of Statehood on 30/05/1987, the Government of Goa framed **The Business of the Government of Goa (Allocation) Rules, 1987** under Article 166 of the Constitution of India, the said Rules have been amended on various occasions, making it difficult to various departments to keep a track of the list of subjects allotted to them.

In order to subdue the aforementioned limitation, this department has uploaded a compiled copy of **The Business of the Government of Goa (Allocation) Rules, 1987** as amended till date, on the Official website of the Government of Goa under heading ‘General Administration Department’ at <https://www.goa.gov.in/department/general-administrative-department>, under the tab of ‘Orders and Circular’, for reference.

Further, should there be any proposed changes, to the list of subjects dealt by any department, the concerned Departments are requested to approach this Department.
