

WORKSHOP ON FRAMING & PRESERVATION TECHNIQUES

Panaji, January 14, 2025

The Overseas Employment Agency of Goa (OEAG) in collaboration with the Directorate of Skill Development & Entrepreneurship has organized a workshop on 'Framing and Preservation Techniques' on January 15, 2025 at the Industrial Training Institute, Altinho, Panaji.

Ms. Nathalia Sophia Stratta, a French National and a framing and preservation expert will conduct workshop between 11.00 a.m. to 12.00 noon. The workshop aims to impart essential skills in the art of framing and preserving artifacts, documents, etc. with focus on both traditional and contemporary European techniques.

The workshop will cover a broad range of topics, including framing techniques, preservation methods, material selection/handling, preventive conservation, personal protective equipment and European framing standards. It is designed not to provide technical knowledge but also to develop practical skills necessary to meet industry standards in the field of art preservation and framing.
