

MOU BY ISDT AND HEALTH DEPARTMENT

Panaji:- February 04, 2025

The Indian Society of Dental Traumatology (ISDT) has signed an Memorandum of Understanding (MoU) to disseminate Dental Traumatology related training and awareness programs for the health care professionals and allied health care workers in the state of Goa.

The MoU was signed by the Health Secretary, Government of Goa, Shri Arun Kumar Mishra, IAS, and the Indian Society of Dental Traumatology represented by its President Dr M S Muthu, in the presence of Dr Ida de Noronha de Ataide, Dean, Goa Dental College & Hospital and Dr Steven Rodrigues, Senior Professor in the Department of Pedodontics & Preventive Dentistry and also Vice President ISDT.

This marks a major milestone for ISDT in state level initiatives to create awareness on dental trauma, and enhance capacity building in the scientific management of Traumatic Dental Injuries. A society with a difference, trying to reach the stake holders of dental trauma care and prevention, as informed by department of Information and Publicity.
