

SUPPLY INTERRUPTIONS IN AREAS OF CURTORIM AND MACAZANA

Panaji May 22, 2025

The process of shifting the existing transformer loads onto the newly laid and charged underground cable. There will be supply interruptions on overhead HT line feeding areas of Curtorim and Macazana from May 21, 2025 onwards for the next 20 days as this office.

The interruptions will be of short duration in most areas during changeovers and longer duration in localized areas where loading shifting will be taken up. In view of the benefits to consumers from underground cabling, the kind co-operation of consumers is requested in the next few days.
