**PUBLIC NOTICE**

**Tariff Order for the True-up for FY 2023-24, Annual Performance Review for FY 2024-25, Aggregate Revenue Requirement, and, Determination of Retail Tariff for 4<sup>th</sup> Multi Year Tariff Control Period FY 2025-26 to FY 2029-30**

**Petition No. 141/2025**

The Hon'ble Joint Electricity Regulatory Commission (JERC) For the state of Goa and Union Territories has issued the Tariff Order for the True-up for FY 2023-24, Annual Performance Review for FY 2024- 25, Aggregate Revenue Requirement (ARR) and Determination of Retail Tariff for MYT Control Period FY 2025-26 to FY 2029-30 on 30th September 2025 against the Petition no. 141/2025 filed by the Electricity Department of Goa (ED-Goa).

The Retail Tariff was approved in accordance with the JERC MYT Regulation, 2024. The Hon'ble JERC has determined the ARR and retail tariff for 5 years i.e., FY 2025-26 to FY 2029-30 in this Order. The Hon'ble JERC has approved an average Tariff hike of ~4% to further reduce the reliance of the ED-Goa on budgetary support from the Government of Goa.

The Hon'ble JERC has rationalised the Tariff levels for cross-subsidized categories by marginally higher than the average hike and has reduced/maintained the Tariff levels at lower-than-average Tariff hike for cross-subsidizing categories. Further, the Hon'ble JERC as per the Retail Supply Tariff Guidelines 2024, approved new tariff structure for consumer categories, tariff structure, supply terms and charges across all distribution utilities under its jurisdiction.

The Retail Tariff now approved by the Hon'ble JERC for the Control Period years FY 2025-26 to FY 2029-30 is shown in the table below:

S.N.	Category	Approved Tariff for FY 2025-26 (Tariff to be implemented w.e.f. 1st October 2025)

#### Other Revisions Approved in this Tariff Order:

- Changes in the Applicability of the consumer categories -
  - Low-Tension (LT): New LT connections up to 100 kVA (85 kW/114 HP) at 230 V (single phase) or 400 V (three phase); EV charging up to 150 kW; and agriculture up to 5 kW connected/contracted Demand can avail three phase supply.
  - High-Tension (HT): Above 100 kVA up to 5000 kVA at 11/33 kV; EV charging above 150 kW.
  - Extra High-Tension: New category; above 5000 kVA at 66 kV and above.
- Salient features approved in this order -
  - New tariff categories introduced include LTDS-III (Domestic Mixed), NDS-IV (Government Institutions and Hospitals), NDS-V (Places of Worship), LTAS-I (Irrigation and Agriculture up to 10 kW), LTPS-I (PWW, Sewerage Treatment and Pumping), and LTPS-III (Public Utility Services – Defence, Railway, etc.)

under Low-Tension supply; HTS-III (Irrigation and Agriculture Allied Activities combined) and HTS-V (Public Utility Services – Defence, Railway, etc.) under High-Tension supply; and EHTS-I (Non-Domestic) and EHTS-III (Public Utility Services – Defence, Railway, etc.) under Extra High-Tension supply.

- All the LT consumers having billing on kW/kWh basis (other than Domestic Services) shall maintain a power factor between 0.85 to 0.90. Below 0.85 shall attract surcharge and rebate shall be provided above 0.90.
- ToD Tariff is mandatory for all HT/EHT consumers except for agriculture category. Further, all LT consumers except agriculture shall be mandatory billed under ToD tariff at the rates given in the below schedule from the date of installation of smart meters in their premises.

• Open Access Charges -

Year	Category	Wheeling Charges (Rs./kWh)	Additional Surcharge (Rs/kWh)	Cross Subsidy Surcharge (Rs/kWh)

• Schedule of Miscellaneous Charges –

The Hon'ble JERC has removed the existing miscellaneous charges and approved the following in its Tariff order:

1. Application fee for new connection / reduction of load / enhancement of load / temporary or permanent disconnection / change of ownership / meter shifting, etc.:

Sl. No.	Category / class	Rate
(i)	BPL	Rs.50.00
(ii)	LT Single phase except BPL	Rs.100.00
(iii)	LT Three phase	Rs.250.00
(iv)	HT Connection	Rs.500.00
(v)	EHT Connection	Rs.1000.00

2. Inspection of consumer's Installation:

Sl. No.	Category / class	Rate
(i)	Initial Inspection	Free of cost

Note: The aforesaid meter testing fee shall be refunded to the consumer, by adjustment in the subsequent bill, if the meter, upon testing, is found to be defective / burnt due to reasons attributable to the Licensee.

**5. Removing / Re-fixing of Meter at consumer's request:**

Sl. No.	Category / class	Rate	Cost of material, as required, will be borne by the consumer as per the estimate.
(i)	Single Phase meter	Rs.250.00	
(ii)	Three Phase meter	Rs.500.00	
(iii)	Three Phase meter with CT	Rs.1000.00	
(iv)	HT Tri-vector meter with CTPT Unit	Rs.5000.00	
(v)	EHT Tri-vector meter with CTPT Unit	Rs.10000.00	

**6. Disconnection / Reconnection charge at consumer's request:**

Sl. No.	Category / class	Rate
(i)	BPL	Rs.50.00
(ii)	LT Single phase except BPL	Rs.100.00
(iii)	LT Three phase	Rs.250.00
(iv)	HT Connection	Rs.500.00
(v)	EHT Connection	Rs.1000.00

Note: If the supply is disconnected on consumer's default of payment or any other default, disconnection fee shall also be payable by such consumers along with reconnection fee at the time of reconnection.

**7. Pole shifting charges at consumer's request:**

The pole shifting charges shall be payable by the consumer based on cost estimate on case to case basis.

This Tariff Order has come into force with effect from 01<sup>st</sup> October, 2025 and shall, unless amended or revoked, continue to be in force till further orders of the Commission.
