No.1(131)/2022-23/DITEC/Correspondance-GOI//17 25   Dated:06/11/2025

To,
All Government Offices/ Autonomous bodies,
Government of Goa.

Subject: Regarding details of Government Treasury to refund unspent amount and Utilization Certificate for SCSP/TSP scheme.

Sir,

Kindly refer to the communication from the **Chief Executive Officer, National e-Governance Division (NeGD)**, Ministry of Electronics & Information Technology (MeitY) vide **DO No. N-22018/17/2024-NeGD dated 21st October 2025**, regarding the submission of details of digital applications operational in the State for inclusion on the *India Stack Local* platform (https://indiastacklocal.in). This is in follow up of a previous email sent by the department on 15th Oct 2024 requesting information for India Stack Local. The below organizations that have sent the information, may ignore this email unless they have additional application to be shared.

Sno	Department Name
1	Directorate of planning, statistics and Evaluation
2	Inspector General of Prisons
3	Government Polytechnic Curchorem
4	Food and Drugs Administration Goa
5	Registration Department
6	Department of Settlement and Land Records

The initiative aims to showcase the digital solutions implemented across States and Union Territories, enabling cross-learning and replication of successful use cases. States have been requested to provide structured information on digital solutions—covering administrative details, project description, technology stack, and module/use-case particulars—so that the nationwide portfolio of digital initiatives can be catalogued comprehensively.

In this context, all Departments are requested to furnish details of applications / IT systems developed or implemented under their purview. The State e-Mission Team will coordinate with the departments in eliciting and

reviewing this information and the same will be uploaded under their login credentials. To facilitate this process, a google form link has been shared below.
https://forms.gle/rLX44RXRU3FRa51T9

It is requested that detailed and accurate information may be filled in by concerned official or obtained from respective implementing agency/vendors, so as to enable this department for onwards submission. Given that many digital solutions may extend beyond the scope of the IT Department, it is crucial that your department participates to ensure a whole-of-government approach.

The information may please be entered in the Google form by 10th November 2025 to enable consolidation and onward submission to NeGD. The NIC State Centre and SeMT team shall provide any required technical support in compiling the details.

For further clarification, Departments may contact **Shri Ashok Naidu (Sr. Consultant, SeMT)** at *ashok.naidu@semt.gov.in* (Mo: 8010228567).

Yours faithfully,
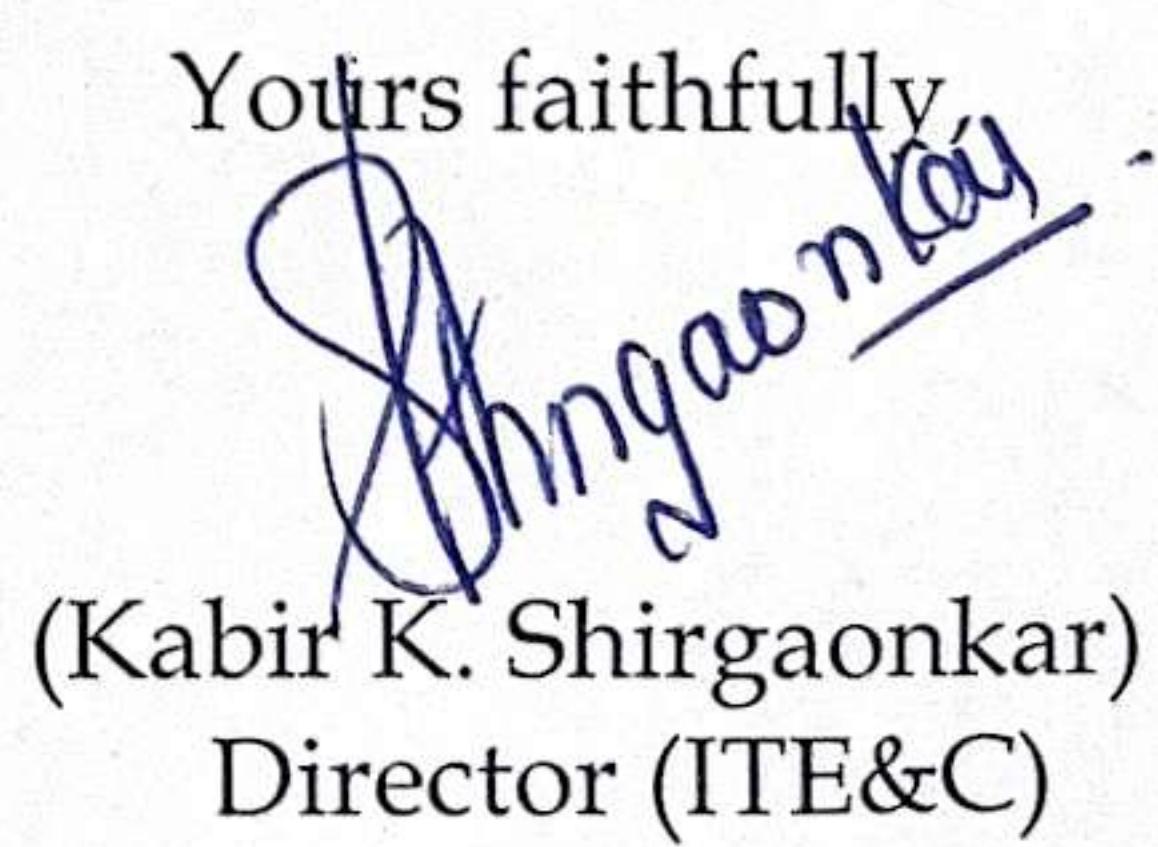

(Kabir K. Shirgaonkar)
Director (ITE&C)

DO No. N-22018/17/2024-NeGD
Dated: 21 October 2025

Respected Sir

As you may be aware, India Stack Local (**htttps://indiastacklocal.in**) is made operational to showcase the digital successes of States and Union Territories. The intent is to make available the information about digital solutions of State and UT at a common platform in structured manner (viz. admin, project, technology, module / use-case details, etc) so that it helps in informational discovery of nation-wide portfolio of digital solutions and can accelerate cross pollination of ideas and replication of solutions among States. At present, **770 digital solutions** and **114 documents** related to Policy, RFP, Concept Note, etc have been uploaded at the portal. So far, NIC team of 4 States/UTs namely Tripura, Rajasthan, Chandigarh, Madhya Pradesh have contributed. User manual is enclosed for ready reference.

2.   Login credentials for NIC SIOs have been created and shared. State e-Mission Team has also been instructed to provide full support on the aforesaid endeavor and they are also provided with login credentials to fill the details. Many digital solutions may pertain to Departments other than IT Department and so, the concerned departments also need to be consulted for whole-of-the-government approach.

3.   I would like to seek your personal kind attention to support the initiative and instruct the NIC officials based in States (SIOs) to arrange the sharing of informational details on all digital solutions operational in their respective State / UT. For any assistance, Shri Bramhanand Jha, VP, NeGD [Bramhanand.jha@meity.gov.in | Mo: 8826823672] and Shri Deepak Sharma, Developer, NeGD [deepak.negd@digitalindia.gov.in | Mo: 7838155776] may be reached out. Email communication may be marked to indiastack.global@digitalindia.gov.in.

Regards

Yours sincerely,

(Nand Kumarum)

Shri Abhishek Singh
