

National Deworming Day

February 07, 2026

The National Deworming Day (NDD) will be observed all over Goa on February 10, 2026. All children in the age group of 1-2 years will be administered the deworming tablet Albendazole 200 mg and in the age group of 2-19 years will be administered the deworming tablet Albendazole 400 mg during this round. Parents, teachers and anganwadi workers are requested to extend their full cooperation in achieving success in this programme.
