Panaji: April 16, 2026

The Government of Goa will undertake the foundation stone laying ceremony for key infrastructure projects at Cuncolim Bus Stand on April 17, marking a significant step towards strengthening public infrastructure and service delivery.

The projects include the construction of Panchayat Ghars at Village Panchayat Guirdolim and V.P. Paroda under the Deendayal Panchayat Raj Infrastructure Development Scheme. These works are being implemented by the Goa State Infrastructure Development Corporation (GSIDC).

The proposed Panchayat Ghars are designed to provide modern administrative facilities, including dedicated office spaces, meeting halls, and essential public utilities, thereby enhancing efficiency, accessibility, and transparency in local governance.

Rane, Minister for Health; Shri Yuri Alemao, Leader of Opposition and MLA, Cuncolim; Shri Michael Lobo, MLA and Chairman, GSIDC; Dr. V.
