

SAFETY TAKES CENTRE STAGE AS GOA GEARS UP FOR OSH EXPO & SUMMIT 2026

Panaji; 27 April 2026

The Inspectorate of Factories and Boilers, Government of Goa, is set to host the Goa Occupational Safety and Health (OSH) Expo and Summit 2026 on April 29 and 30, 2026. The two-day summit will be held at Dr. Shyama Prasad Mukherjee Indoor Stadium, Bambolim, from 10:00 a.m to 6:00 p.m.

The second edition of the Expo & Summit aims to bring together industry leaders, policymakers, safety professionals, academicians, and stakeholders to promote a strong culture of workplace safety, health, and compliance across sectors. Building on the success of its inaugural edition, the event is expected to serve as a comprehensive platform for knowledge exchange, innovation, and collaboration in occupational safety and health.

The programme will feature keynote addresses, panel discussions, technical sessions, and live demonstrations of safety equipment and technologies. It will also facilitate B2B meetings and networking opportunities, enabling participants to engage with experts and explore emerging trends and solutions in workplace safety, industrial hygiene, and risk management.

The Expo & Summit is expected to witness wide participation from multiple sectors including manufacturing, construction, healthcare, tourism, logistics, and education, along with representatives from Government agencies, regulatory bodies, and industry organizations, highlighting the State's commitment to strengthening workplace safety and sustainable practices.
