Altinho, Panaji, Goa - 403 001

File No:8(65)/DOIT/2022/Email Management/622 Dated: 09/06/2026

CIRCULAR

Pursuant to the migration of NIC eMail services to the new cloud-based email platform, as communicated by NIC, Ministry of Electronics & Information Technology (MeitY), Government of India, all Government of Goa official email accounts are now operating under a commercial subscription model with recurring financial implications per active email account annually available at url <https://mail.gov.in/>.

NIC has further informed that the new email platform entails an annual recurring expenditure of approximately Rs 2,400/- per active dormant/inactive email account per annum plus applicable taxes.

It has further been observed that a number of Government email IDs (name based/designation based) allotted to officials/officers of various Departments, Corporations, Autonomous Bodies and Government Organizations have remained inactive and have not been accessed for over one year on new email system at <https://mail.gov.in/>

In view of the above, and considering the recurring expenditure involved towards maintenance of such inactive name based/designation based email accounts, all Departments are hereby directed to review the email IDs allotted under their control and identify accounts which have not been accessed/used for more than one year, including accounts pertaining to officials who are transferred, retired, resigned, superannuated, discontinued service and/or otherwise inactive name based/designation based email IDs.

Accordingly, all Heads of Departments/Offices shall furnish the details of such inactive/dormant email IDs to Department of Information Technology Electronics & Communication in the following format within 15 days from the date of issuance of this Circular through email at emailadmin-ga@nic.in with subject **Inactive/Dormant email Ids for deletion from YourDepartmentName**

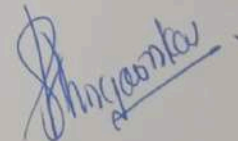

It is further informed that the identified inactive/dormant email IDs shall be recommended to Email Division, NIC Delhi for deletion/deactivation in order to optimize Government expenditure and ensure efficient management of official email resources.

State departments/corporations shall also ensure that only actively used and operational official email IDs are retained on the new email platform and that official Government email accounts shall be regularly accessed for all Government communications to avoid classification as dormant email accounts. A list of email IDs that have been dormant for last 90 days or more is enclosed for your reference.

Further, if no communication/intimation is received from the concerned Department within 15 days from the date of issuance of this Circular, the email IDs which have remained unaccessed/inactive for more than one year on the new email platform <https://mail.gov.in/> shall be treated as non-operational and shall be recommended for deletion without any further notice, in view of the recurring financial implications involved.

Further, since the creation/maintenance of Government email Ids involve a recurring cost of Rs 2400 per license per annum, all state departments/corporations shall make necessary budgetary provision for the same annually.

This may be treated as MOST URGENT.

Kabir K. Shirgaonkar
Director ITE&C
