CIRCULAR

Subject: Migration of Websites/Applications/Services from NIC Mini-Cloud to Google Cloud Environment

The Government has appointed M/s SM Networks & Solutions Pvt. Ltd. for carrying out the migration of Websites/Applications/Services hosted on the NIC Mini-Cloud to the new Cloud Service Provider (CSP) environment, namely Google Cloud Platform (GCP) environment.

Accordingly, the migration of all Websites, Applications and Services presently hosted on the NIC Mini-Cloud is under progress. All Departments/Organizations are hereby informed that the existing Websites/Applications/Services hosted on the NIC Mini-Cloud shall be taken up for migration on priority.

All Heads of Departments are hereby requested to extend necessary cooperation and coordinate with the Department of Information Technology, Electronics & Communications for smooth and timely completion of the migration process.

(Kabir K. Shirgaonkar)
