

PANCHAYAT MINISTER VISITS MAHILA BHAVAN, CHICALIM

Panaji: June 26, 2026

Panchayat Minister, Shri Mauvin Godinho visited the Mahila Bhavan at Chicalim to review the progress of the infrastructure development works being undertaken to strengthen the facility and enhance its usefulness for women and community activities.

The upgraded infrastructure will help improve efficiency, provide better amenities, and create a more comfortable and functional environment for self-help groups, training programmes, meetings, and various community initiatives.

Strengthening such community spaces plays an important role in empowering women and encouraging greater participation in economic and social activities. It is another step towards building a more inclusive and self-reliant society while ensuring that women and community groups have access to facilities that support their growth and development.
