CIRCULAR

Subject: *Migration of Websites/Applications/Services from NIC Mini-Cloud to Google Cloud Environment*

Reference: No.10(228)/DITE&C/2026/CSP/Monitoring-Migration/768
dated: 29/06/2026

In continuation of the above-cited Circular, it is hereby informed that the Department has initiated the migration of Websites/Applications/Services presently hosted on the NIC Goa Mini Cloud to the Google Cloud Platform (GCP) Environment.

In this regard, all Departments are hereby requested to take necessary action for migration of their Websites/ Applications/Services currently hosted on the NIC Goa Mini Cloud to the GCP Environment, through M/s SM Network Solutions Pvt. Ltd., the CSP identified by this Department, in a time-bound manner.

The list of Websites/ Applications/Services for which the requisite details have not yet been received by the Department is enclosed as Annexure-A. The concerned Departments are requested to furnish the required details by 07th, September, 2026 to facilitate the migration process.

It may be noted that the NIC Goa Mini Cloud is being phased out. Accordingly, in the absence of receipt of the requisite details, the concerned Websites/Applications/Services may not be taken up for migration to the GCP Environment. Further, upon phase-out of the NIC Goa Mini Cloud, support may not be available in the event of any issue affecting such Websites/Applications/Services.

The concerned Departments may coordinate with DITE&C for initiating and facilitating the migration process and provide the details of the concerned

Departmental representative /vendor at dir-dit.goa@nic.in for further necessary action and coordination with the MSP.

All Departments concerned are therefore requested to accord priority to the migration activity and ensure submission of the requisite details at the earliest, so as to ensure continuity and avoid any disruption to the Websites/ Applications/Services currently hosted on the NIC Goa Mini Cloud.
