

PUBLIC NOTICE

The General Public are hereby informed that **COMPLETE SHUTDOWN** of the 100 MLD Salauli Water Treatment Plant at Xelpem (JICA WTP) under SWSP is proposed on **7th September 2026 (Monday)** for a period of **24 Hours** (from 7:00 a.m on 07/09/2026 to 7:00 a.m on 08/09/2026) for carrying out interfacing activities of the 100MLD WTP with additional 100 MLD WTP.

As such water supply to some areas will be partially affected - Parts of Sanguem (Netravali, Zambaulim, Rivona), Sanvordem (Guddemoll), Shiroda, Quepem, Balli pumping station, Gudi, Margao City, Fatorda, Raia, Fatepur, Handka, Loutolim, Cansaulim, Nagoa Cuncolim, Curtorim, Nuvem, Cortalim, Dabolim, Vasco and Marmugao Constituency. However, normalization of water supply to the tail-end areas of Cortalim, Dabolim, Vasco and Mormugao will take another two days.

The 160MLD Salauli WTP will remain fully operational during the SHUTDOWN Period. The inconvenience caused to the General Public is highly regretted.

Yours faithfully,

Sd/-

(Harsha V. S. Kakodkar)
