**CIRCULAR**

**Sub: - Acceptance of Digital Payments – reg...**

The Government is in receipt of a proposal from M/s. Paytm Payment services Ltd. wherein it is mentioned that they have approached various Government Departments for providing digital payments services via its platform to facilitate online transactions for the Government Departments. However, the officials are reluctant in availing these advanced payments services due non availability of instructions of Finance Department.

In this regard, it is to bring to the notice of all the Heads of Departments that Finance Department encourages such advanced payment mechanisms to be implemented in the various Government departments which eases and facilitates the process of payments by the citizens. All Departments are therefore directed to submit their proposals, if any, in this regard after obtaining administrative approval for approval of the Finance Department to adopt such new payment mechanisms.
