DE/Acad/Wired Int. Scheme/Goa 240/ /Budget Scheme/22-23

The Government of Goa is pleased to introduce the following Scheme:—

Wired Internet Scheme for ICT Laboratory in Schools in the State of Goa

1. *Short title and commencement.*— *i*) This scheme shall be called "The Wired Internet Scheme for ICT Laboratory in Schools in the State of Goa".

ii) It shall be applicable to all the Government Schools and Government-Aided Schools under the Directorate of Education of the Government of Goa.

iii) The scheme shall come into force from the date of its publication in the Official Gazette.

2. *Preamble.*— The State of Goa is developing speedily as an educational hub and internet services have become an integral and indispensable part of the education system for communication, learning along with the spread of knowledge, so as to make the student equipped for the digital world. Digital India is a flagship programme of the Government of India with a vision to transform India into a digitally empowered society and knowledge economy. The Government of Goa has taken various initiatives to promote various of the envisioned Digital India programmes, specially promoting Education through Information and Communication Technology. To facilitate these initiatives internet services is a much needed infrastructure that is needed to provide learning tools, usage of MOOC's platform for learning, towards developing needed digital, computational, and other related skills; all this for the benefit of the students.

The Government of Goa has through various initiatives provided top of the class ICT infrastructure in the school laboratories.
