Sub: Procurement of fuel for all Government Vehicles from Private - PSU Fuel Stations

In view of the directives received from the Competent Authorities regarding the redevelopment of the Government Garage premises at Panaji by NBCC (India) Ltd., it has been decided to discontinue the procurement and supply of fuel through the existing Government petrol bunk with immediate effect.

Accordingly, all Government Departments availing fuel from the said petrol bunk are requested to take note of the same and stop lifting fuel from the Government garage forthwith.

Further, it is hereby instructed that all Government Departments shall procure their requirements of fuel for official vehicles from any Public Sector Undertaking (PSU) petrol/diesel pumps that have automated billing systems within Goa.

The concerned Departments shall make necessary arrangements to ensure uninterrupted fuel supply for their official vehicles through the designated PSU retail outlets, maintain proper records of fuel consumption and billing generated through the automated systems. Further to ensure smooth supply by Private fuel stations, the bills shall be mandatorily settled within 30 days without fail.

This issues with the approval of the Hon'ble Chief Minister/Finance Minister vide U.O.No.1479/F dated 18/05/2025.
